

Install from Play Store

After you click on VMWare App it will ask you to enable permissions, turn it on.

S .
Allow Horizon to make and manage phone calls?
Allow
Don't allow
o 😫 🖸 I 🕨 🛄 III

Select <u>Allow</u>. If not selected then it will not allow you to continue and you will get the error message on next screen shot.

If you select **Don't Allow on previous screenshot, it will not allow you to continue. You will have to go to settings, apps, then look for Horizon. Select Horizon and under permissions, change it to <u>Allow</u>.**
